

June 2019

Roger Gutierrez's Peterbilt 352

Our June meeting was attended by 27 members and family John Paul Jones attended for the first in a while It was nice to see him at the meeting.

Duane Velasquez has been in the hospital again with some complications from his diabetes He may have gone home June 10 but I have not heard for sure He was quarantined for several days but his tests came back on the good side, nothing contagious

Jerry Richardson's F-16C

Clifford Bossie brought a one to one scale doughboy style helmet that he had been working on to show. Cliff mixed the paint for helmet and added cork to the outer surface as required for it to be correctly restored I hope that Cliff will give us an article with pictures for a future issue of the newsletter.

Richard Macias's FB-111A

We are waiting for confirmation from Bassett Place concerning our summer and Veteran's day display. I offered July, August, September and/or October and November for the Veteran's Day event. Several of the membership eagerly awaits their choice of dates.

Fred Gonzalez's Rommel's Rod

Steve Herren took the photos this month but since he took the photos outside using natural light, the heat got to him and he left the meeting early.

David Torres's M60A3

Our next meeting is on July 7 at 7000 Edgemere 2:00 P.M.

Carlos Mendoza's Luftwaffe Pair

Joseph Servin returned to the meeting He attended back in January or February and made it back again Nice to see Joseph back.
