

The GLUE

of the El Paso Scale Model Society
The Basset Place Mall Show August 2011

Seventeen members of the El Paso Scale Model Society filled 230 square feet of table space at the Forty-third Bassett Place Mall Show. Three others worked during the event providing security and information to the shoppers that stopped by the display to ask questions and comment on the event.

A special thanks to Joseph Roper, Bill and Robert Coster, Roy Lingle, Michael Garcia, Carl, Daniel and Nathan Webster and John Estes for the set up. We arrived at the Mall at 08:15 and had the area set up and models being placed on the tables by 08:45. There was no wasted time or effort by the set crew.

Some of the armor models In 1/35th scale.

Roy Lingle, Bill Coster and Carl Webster brought a number of 1/35th scale armor models to show at the event. Joseph roper had several 1/72nd scale armor models at the other end of the display.

Roger Gutierrez brought some railroad engines to display in 1/87th (HO) scale.

The Bismark.

Mike's ships are all in 1/350th scale

Joseph Schoen brought several of his models and spent most of the day at the event. Gustav Hebrok helped during the morning of the event. Worth Haggerton, from the Austin AMPS club and now almost a regular at IPMS/El Paso spent a great part of the day at the event. John Estes brought the tables, covers, the signs and the handouts that were given away during the day. The old timers were impressed with the model display and the number of shoppers that stopped to check things out.

Our thanks to MJ Kinney, IPMS office manager for our insurance and to Marguerite Byers, Marketing Manager at Bassett Place Mall and to her service group and Security personnel. Well done on all accounts.
