Fabian Nevarez's Revell Lockheed PV-1 Ventura

Apparently, I made an error on the meeting dates. Easter was April 5. I had it as Palm Sunday. The church said that we could meet on Easter as they would be through with the Fellowship hall as they meet earlier on Easter Sunday. We will meet on April 12, the second Sunday of the month at the usual time of 2:00 P.M. at 7000 Edgemere.

I will have a number of cub Polo shirts at the meeting. If you are interested in having a club shirt the price is \$25.00 each, which is the actual cost. Sizes small, medium, large, etc.

The March 28<sup>th</sup> Bassett Place was very successful. Eleven members had 450 excellent models on display, plus 10 dioramas and three new folks signed up as members. Well done.
