

THE Glue

EL PASO SCALE MODEL SOCIETY

NOVEMBER 2015

www.ipmselpaso.us

Carlos Delgado's 1/32nd scale T-55 tank

The Basset Show

Nineteen folks showed up for the Bassett Place show on November 8. That group managed to put at least 311 models on the tables.

The Armor category was covered by **Carl Webster** with 65 models, **Bill Coster** had 35 models and 3 dioramas. **Roy Lingle** had 32 models, **Sal Samaniego** had 13. There were others such as **Mike Garcia** with 4 and **Roger Guiterrez** with one that are not considered as "tread heads." Very large and interesting display, folks.

Aircraft models were covered by **Jim Davis** with 5, **Mike Garcia** with 33, Gustav Hebrok with 7 which included F-104's from 1/32nd scale down to 1/144th scale and **Mike Kennedy** with 14 1/48th scale models. **Richard Macias** had 14 models to show. This was Richard's first show and he had a great time. Some very colorful aircraft by all and all outstanding in workmanship.

“The Glue” is the official publication of the El Paso Scale Model Society. We publish on a monthly basis and try to cover just about any area of interest that club members may have.

Model pictures, articles, kit reviews, suggestions of any kind, wants and disposals, items for publication, and general gripes, should be sent to the following email address:

BagpipeJM@aol.com

August	2		
(Basset Show #1).....	9		

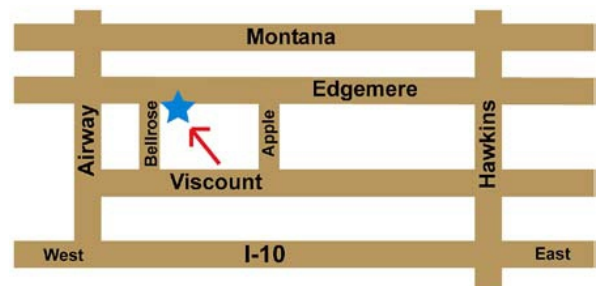

The El Paso Scale Model Society

Our club is a chartered chapter of the International Plastic Model Society - U.S. Branch (the IPMS-USA). The EPSMS was first organized in 1969, received its charter in 1970, and has been continuously active since that time.

We are a non-profit organization dedicated to promoting the art of scale modeling (regardless of construction media), and membership is open to anyone interested in scale modeling. Club membership dues are payable on an annual basis (we can accept cash or personal checks). Dues are \$15.00 per year for regular members over the age of 16, and are based on a January-December club year. Junior memberships are available for those aged 16 and under, and are priced at \$5.00 per year. Family memberships are available for an extra payment of \$2.00 per year per family member. Members in good standing are entitled to vote in all club matters, run for office, enter club contests, judge in all club contests, and receive a copy of the club's monthly newsletter. Hal's Hobby Warehouse on Bessemer in East El Paso also offers club members a discount on purchases of models and modeling materials. The exact discount is set on a sliding scale. Our club meetings are generally held on the 1st or 2nd Sunday of each month at 2.00 p.m. in the Fellowship Hall of St. Paul's United Methodist Church at 7000 Edgemere Blvd (please see the map below). Schedule changes are published ahead of time in the newsletter.

Musings and Reflections

by **JOHN ESTES**

Losing my old computer with all of my files easy to find has caused me a great deal pain as far as doing the GLUE. Learning an entire new system and finding where I file stuff has made my speed of getting things done much slower. A couple of months ago, I read a statement from Dick Montgomery about the need to change officers on a regular basis. I think I have been president since 1999, this time. Could any of this be the cause of my lack of interest in finishing this issue of the GLUE.

I got e mail this last week telling us that San Antonio and Houston are planning on bringing the IPMS/USA Nationals to San Antonio in the near future. They are asking for help from Region 6 to

provide assistance in planning and providing bodies to help bring this about. This is to inform you about the event. I believe I sent the info out to all that have e mail. Decide what you wish to offer to them on an individual basis.

The Bassett Show has come and gone. We had a great event but the turn out of Bassett customers was a bit shallow or fewer in number than in some earlier years. Thanks to the folks at Bassett for their super co-operation for the event.

A Special thank to Larry Randall for his assistance in getting our insurance for the event. Larry ended his term as Director of Local Chapters shortly after getting our insurance after the death of

MJ Kinney. It took five months from the time we asked for insurance until it arrived.

Thanks to all that showed up for the event. I could just copy the list from last year listing those that came to set up for the event. Bill Coster, Roy Lingle, Joseph Roper, Carl Webster and his son, Jim Davis, Michael Garcia and Kai, Michael Kennedy and Richard Macias took only a few minutes to set up the 15 tables, cover them and then spent an hour or more placing models.

The December meeting is the first Sunday as usual. Same Time and Same place.

1/32nd scale Chihuahuenses coach bus
scratch built from cardboard and paper
by Jose C. Diaz.

Carlos Delgado's 1/48th scale Avro Lancaster

The Basset Show

Mike Garcia had 13 ship models placed on the flag of the country of origin. Most were in 1/350 scale and made an attractive display.

Jose c. Diaz had 15 of his paper scratch built bus models, a trap set and 1 car to show. Unique.

Duane Velazquez had 21 helicopters all in 1/72nd scale and included some of the huge Russian types. One of the most looked at displays of the day.

Dixi Fischer had three pieces of furniture on display. She spent a great deal of time discussing these with numerous folks. Nice.

Steve Herren, Roger Guterrez, Gustav Hebrok and Mike Garcia all had car models to show. Nine total.

Joe Roper had a nice scratch built hawk Missile site with missiles and the radar necessary to operate the system. I think the scale was in 1/35th but may have been 1/32nd scale. Very well done.

Joseph Roper's 1/72nd scale
M3 halftrack and T-55 tank

Richard Macias' Italeri F-22 Raptor 1/48th scale.

Show & Tell

We have several pictures with no info provided. I will try and guess. What they are and to whom they might belong.

Jim Davis had three F-4 Phantoms. The F-4D was built from the Fujimi kit and was marked as 906 TFG 89TFS "30th Anniversary" based at Wright Patterson AFB. His F-4E and F-4G were both from the 90th TFS 3TFW based at Clark AFB, Philippine Islands circa 1980. The F-4E was a Fujimi kit and the F-4G was a Testor's release of the Italeri kit, I think.

Jose C. Diaz had as work in progress a Dina Marcopolo Viaggio Coach in 1/32nd scale. He also had a Chihuahuenses bus. These are scratch built from foam board and paper.

Carlos Delgado had a Tamiya 1/48th scale Lancaster and a 1/35th T-55 tank built from the Lindberg kit.

Michael Garcia had a 1/350 scale Ukuru as a WIP.

Richard Macias had a Revell F-14D, a Hasegawa Ki-84 Hayate and an Italeri F-22 all in 1/48th scale.

Richard Macias' F-14D Tomcat in 1/48th scale.

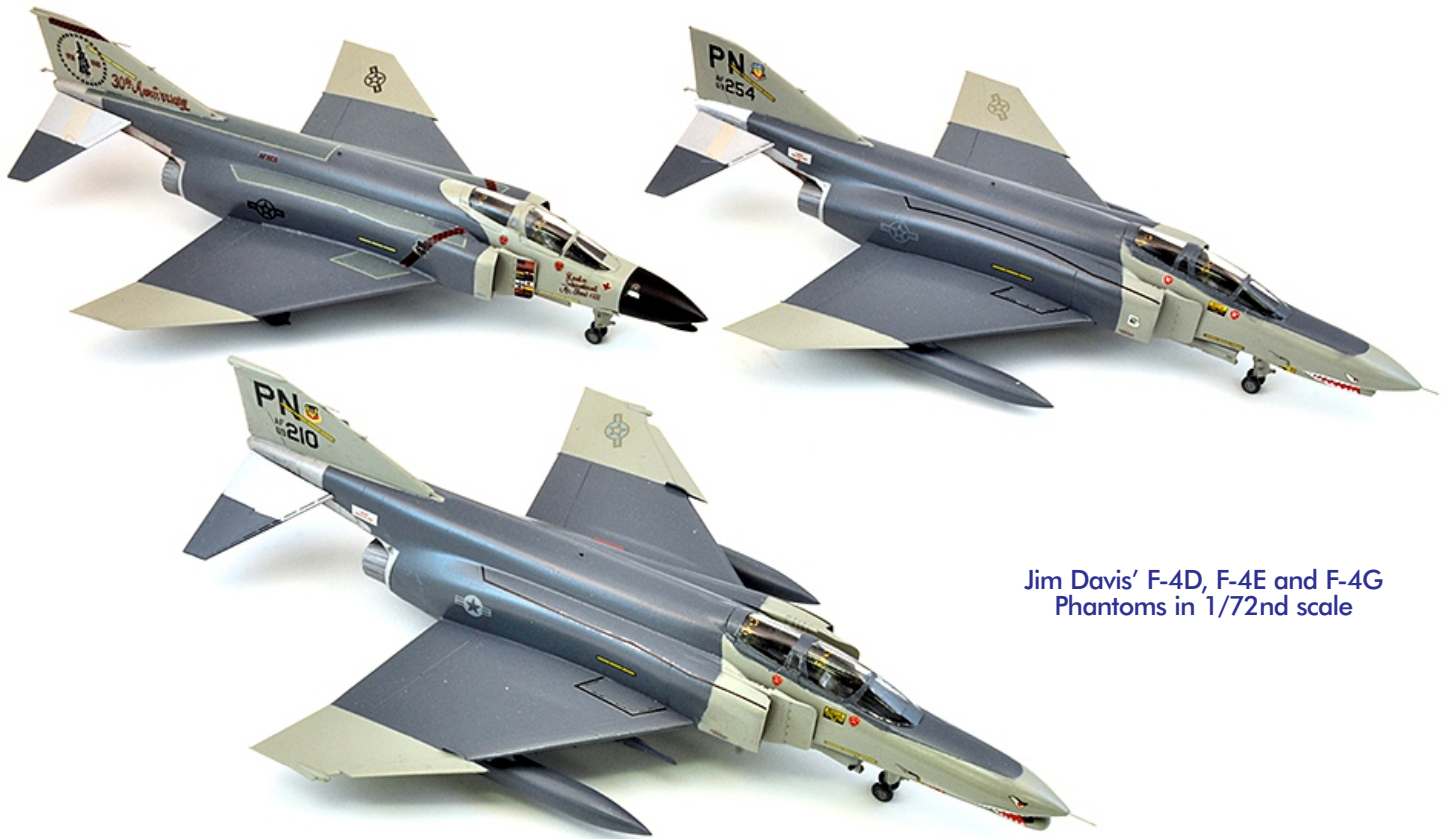

Jose Patino had a Hiller H-13 in 1/32nd scale. It seems like Revell might have done this kit.

Gustav Hebrok had a Revell 1/48th scale Pt-17 as a work in progress.

Joseph Roper had an Academy 1/72nd scale M3 halftrack converted to an Israeli

up-armored model. Joe also had a Trumpeter 1/72nd scale T-55 being built out of the box. Both are works in progress.

Sal Samaneigo had several kits to show but provided no info.

Jim Davis' F-4D, F-4E and F-4G
Phantoms in 1/72nd scale

Clifford Bossie had a couple of 1/350 submarines in the box. These were the Lafayette and the George Washington. I guess I could show my lack of knowledge and call these SSBNs or "Boomers." Now that I have jumped into an area that I do not keep current on, I will look them up and get the correct nomenclature for the two submarines. The George Washington was the first USN boomer and the Lafayette class are the third generation of USN boomers. There are at least 31 ships in the Lafayette class.

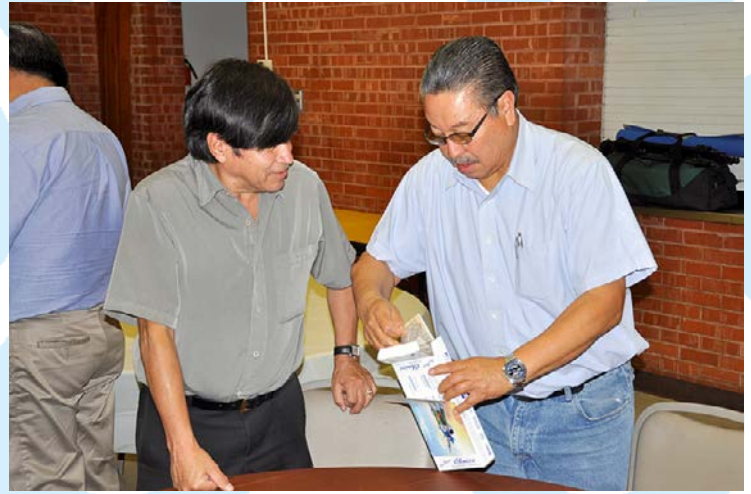

Richard Macias' Ki-84 Hayate
in 1/48th scale.

IPMS/USA NEW MEMBER APPLICATION

IPMS/USA is dedicated to the hobby (and fun) of Scale Modeling. It was started by Jim Sage, of Dallas, Texas, in 1964. There are now branches of IPMS all over the world. Our Local Regions and Chapters sponsor Model shows and contests every year, but you needn't be a member to visit the shows or attend the club meetings!

With IPMS/USA Membership, you will receive the outstanding IPMS/USA Journal six times a year - it includes features on all modeling subjects such as aircraft, armor, automotive, ships, figures - you name it! You will also find listings of IPMS contests, swap meets, hints and tips, and reviews.

Membership also qualifies you to participate in IPMS/USA sanctioned contests, and particularly in our World-famous National Convention, held each summer. As a member, you'll also be able to access our online Discussion Board, where a wide variety of modeling topics are discussed, and enjoy interaction with other serious modelers for help with questions about modeling techniques or the Society in general. Many Hobby Shops and Model Vendors around the USA offer discounts to IPMS/USA Members.

Memberships are available in several types:

Junior:	17 years old or Younger, \$17.00 per year
Adult:	1 Year \$30.00
	2 Years \$58.00
	3 Years \$86.00
Family:	Adult Membership plus \$5.00 (Additional Membership cards as requested)
Canada or Mexico:	\$35.00 per Year
Foreign:	\$38.00 per Year (Journal via Regular Mail)
