Some of the Membership having cupcakes and ice cream

A Special Thanks to my favorite(only) daughter Tracy and favorite son-in-law(only one) Tomas for providing cake and ice cream at the January meeting. My birthday was a week later but I thank all of you for helping me celebrate.

We had more than thirty members and guest at the meeting. Bruce Gross from Las Cruces attended the meeting. Pedro Pia also attended for the first time. Fernando Rodriguez returned for his second meeting. Welcome to you and we hope you will attend again, and soon.

Last month I stated all mistakes in the GLUE were mine. This from Dave Inocencio:

Hi John, won't be able to attend today's meeting, having pain issues with my disability, should be at next month's meeting with membership fee in hand, I will bring a couple of models too, by the way my name is under wrong picture, Until next time John, happy modeling.

My apologies to Fernando Rodriguez's for mis-identifying his models.

Yes, we meet this Sunday, February 1, 7000 Edgemere at 2:00 P.M.

Hello Region 6,

It is time to choose our four annual regional awards for 2025. Those are chapter of the year, member of the year, newsletter of the year, and website of the year. Our regional winners will be submitted to IPMS for consideration for the same national awards for 2025.

I believe I have what I need for the website and newsletter choices. To my knowledge San Antonio, Ft, Worth, NCT, and Austin are the only chapters in our region that maintain websites. OHMS, San Antonio, and Austin publish a regular newsletter. If this is incorrect and I have overlooked your chapter please send me your website address, and for newsletter please email me copies of any three of your 2025 newsletters. As I am presently president of the Austin club I will submit the website addresses and newsletter copies to a third party who will choose the winners.

AMT 1967 Mustang

All are 1/25th scale built by Hector Gonzalez

Thanks for your providing the cupcakes and ice cream.

Since Michael Kennedy was unable to provide the photos this month, there will be no individual pictures. Sorry
