Michael Kennedy's Glencoe 1/48th scale Bell X-1

Our May meeting was another successful event. Attendance was down a wee bit from last month, but we still had more than thirty members and family in attendance.

We meet Sunday June 7 at 7000 Edgemere at 2:00. Bring a model and Bring a friend to the meeting.

Thanks to Michal Kennedy foe the photos this month.

There will be another display at Bassett Place Mall on Saturday June 13 for Father's Day. If you wish to display, check with Michael Garcia or Hector Gonzalez to sign up for the event.

Efrain Zamora's AMT 1/25th scale Ford Pinto

We had three new members that signed up at an earlier event show up for their first meeting. Welcome, Lloyd Woolf, his son David Woolf and his son in law Joseph Lemke.

David Guzman's AMT 1/25th scale Barris Raiders Coach

Our July meeting is scheduled for July 5 Same time. Same Location.

Arthur Berdick's Border Models 1/35th scale SD.Kfz. 251/22

“The **Sd.Kfz.251/22** (*Sonderkraftfahrzeug 251/22*) was a German self-propelled gun based on the widely used Sd.Kfz.251 half-track armoured personnel carrier during World War II. “

Roger Gutierrez's Tamiya 1/36th scale Panzer IV Ausf D (early)

The more information you give me on the photo sheets will allow me to better identify your models and highlight your workmanship. An example is on the following page. The only info is a Tiger , 1/35th scale. However ,that is a Tiger II PzKpfw Vi. No kit used. This kit is available from 1/72nd scale through 1/16th scale. Also, it is a work in progress.
