

February 2020

Art Berdick's Mack Truck

Twenty-six members and guests came to the February meeting. All spent much time discussing the models that were brought to show. No business or seminar was presented.

Art Berdick brought a Mack truck finished with the Conrad Ottenhoff Co company logo, and based on a photograph. Art built this truck for Conrad Ottenhoff, a member of the group that lives in Las Cruces, NM who provided the photo of the truck. This model attracted a lot of attention at the meeting.

On the Tables

Arthur Berdick brought a 1/24th scale 1926 Mack Bull Dog Dump Truck marked in Oppenhoff Construction Company Markings. Art also brought a M31 U.S. Tank Recovery Vehicle in 1/35th scale built from the Tank-Automotive and Armaments Command (TACOM) kit.

Salvador Samaniego brought a 1/35th scale Tamiya Jagdpanzer IV.

Carlos Delgado brought two models to show. One was a Bristol Beaufighter built from the Hasegawa kit in 1/72nd scale and the other was a Me109G in Hungarian Air Force markings, also a Hasegawa kit but in 1/48th scale.

Wayne Williamson brought three different armor kits to show. All were works in progress. Wayne had a Trumpeter Tiger I, the late variety; A Dragon British M4 Sherman in North African markings and a Tamiya Cromwell. All were in 1/35th scale.

Roger Gutierrez brought a Southern Pacific 70-ton Bay Hopper from Bowser and a Switch Engine assembled from the Athearn kit in 1/87th scale.

Steve Herren had a variety of models to show. Steve had a 1940 Ford Coupe, a 1957 Chevrolet Bel Air, a Chris Craft boat made from the Dumas kit, a 1946 Ford Convertible and a Ferrari Euro.

David Torres brought a 1/35th scale Tamiya Marder 1A2 as a work in progress.

Jerry Richardson, our member from Amarillo, recently completed Phantom #19. Tamiya's 1/32 F-4J of VF-84 "Da Bones". Jerry used Avionix seats, Rhino Resin wheels, Zotz decals and Eduard cockpit PE for the IP's.

OUR NEXT MEETING IS ON MARCH 1 AT 7000 EDGEMERE AT 2:00 P.M.
