

September 2025

James Howard's Revell USS Los Angeles SNN 688

August was not a good month for the El Paso Scale Model Society, at least health wise. Our group had a cancer diagnosis, a stroke, a broken hip, pacemaker/heart difficulties and several other complaints. Wishing comfort and healing for all involved. Not sure if those problems led to us having the least attended meeting of the entire year as only seventeen members and visitors attended the meeting. One visitor was James Munoz. He drove down from Las Cruces to attend. Now he is our newest member. He brought several cars, etc. to show. Welcome, James. Another visitor brought a number of built or die-cast aircraft models to sell. If anyone wants information about the sale, I have the information on the seller. Since he was unable to sell any of the models, he offered to give them to me. I declined as we don't have any available storage space at this time.

Yes, we meet this Sunday, October 5. 7000 Edgemere at 2:00. Bring a model and Bring a Friend to the meeting.

Joe Martez's French Legion Miniatures 75mm French Vivandiere This figure was painted in acrylics and is sometimes referred to as a sutleress. (shopkeeper)

**Thanks to Michael Kennedy for his photos again this month.
Much Appreciated.**

David Guzman's Revell 1:24 2007 Jeff Gordon's Monte Carlo

No information provided

Efrain Zamora's AMT 1955 El Camino SS

Efrain used after-market resin tires, a photo etched grill and hood. The base began as a picture frame, then added a foam sheet, balsa wood, and plaster.

No information provided

Some of James Munoz's models

Nice close-up of one of them.

James Howard's Revell PT-109

Hector Gonzalez's AMT 1/25th scale 1963 Chevy Nova Station wagon

Hector's AMT 1/25th scale 1936 Plymouth Modified

James Howard's Revell USS Missouri

Hector Gonzalez's AMT 1/25th scale 1963 Ford Pickup

No information provided

James Howard's Revell USS Arizona

No information provided
