

**November 2018**

John Van Sickle's SdKfz 251/2

We had 25 members and guests at the November meeting. John Van Sickle from Tularosa NM attended again and has decided to join our membership. Antonio Patino's grandson, Ariel attended again and has grown up; from the first time he attended some years ago. Welcome to both.

John Estes asked for the names of persons interested in running for office for 2019 so that he could prepare a ballot as December is the month we elect new officers. Roy Lingle will become our door prize guru replacing Michael Drapes. Mike is one of the two vice-presidents of the group.

Michael Drapes will have hip surgery soon.

Our next meeting is on December 2 at 2:00. The location is 7000 Edgemere.

The date for 2019 will be available at the December meeting. The membership and the church will have to approve them.

Sal Samaniego's SAM-6

I hope to have the 2019 membership cards ready so if you want to pay your dues for 2019 you may do so at the December meeting. Your card is your receipt.

Our photographer Steve Herren set up out doors to photograph the models this month. Thanks to those that helped with the moving of the tables, etc. to facilitate this.

David Torres's M41

I am planning on getting wreaths for our former members that are buried at Ft. Bliss National Cemetery as we have done in the past. Total cost will be \$150.00.

Carlos Delgado's Fw 190

Carlos Delgado's Flak 88mm

Sal Samaniego's Humvee

Arthur Berwick's Hussars

Arthur Berwick's ASLAV-25 Recon

Arthur Berwick's Matilda III and his Valentine Mk II in 1/35<sup>th</sup> scale

Arthur Berwick's German staff car in 1/35<sup>th</sup> scale

The Veteran's Day Display and Show was a great event. Pictures will follow in a Special Edition of the GLUE. Interest shown by the shoppers was very good. The display was excellent.

Steve Herren, our photographer set up out doors to photograph the models this month. Tanks to those that helped with the moving of the tables. Etc. to facilitate this. Much appreciated.

Arthur Berwick's British Marine and a British 52<sup>nd</sup> Regiment Drummer in 75mm scale

As John Estes did not bring the usual photo information sheets, some of the modelers were reminded to give the manufacturers info of the kits/models used.
